SkillsUSA MINNESOTA

2017 ADVISOR OF THE YEAR

This is your chance to honor one of your colleagues or teachers. Minnesota will once again select an Advisor of the Year for secondary/high school and college/post secondary divisions. State winners will be announced at our Sunday Skill Conference Awards and sent on for Regional and then National Competition.

CRITERIA:

This award will be presented to secondary/ high school and/or post secondary educators involved in Trade, Industrial, Technical, or Health Occupations courses, and who have achieved prominence at local, state, or national levels. Two state awards, one regional award and one national award will be presented annually.

ELIGIBILITY:

Individuals who are currently employed as full-time classroom / laboratory teachers and / or co-op coordinators in a vocational-technical education program, or persons who are not classroom teachers, but have been designated by their school administration as the SkillsUSA advisor (coordinator) for their school, are eligible recipients for this award. Contributions and achievements with SkillsUSA on which the nomination is based must have been within the past ten years. The nominee must be a paid professional member of SkillsUSA and have 3 years of experiences as an advisor / teacher.
